Delivering Christmas Packages.
Chicago, Dec. 12.—Scooting and gidling, dodging and sidding in and out of the business district crowds today awept flow aray-cied men with packs on their hocks-messengers of Santa Chaus. The government of the United Halida paid for the roller states they were wearing.

These are carriers of parcel post mail in the loop district, who were picked to carry out the idea of Posimaster Campbell that carriers on rollers can deliver more mail in eight house than carriers not on rollers. If the plan works well in the longitudities, every city carrier capable of such navigation will be mails a member of the "mercury nausd" and equipped with a pair of states.
